## **ADMISSIONS**

Magnuson Christian School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs. Each student is considered part of the total Christian school community and is expected to participate in all classes and activities. (adopted 6/05)

## **ARRIVAL-DISMISSAL**

**Arrival:** Students should arrive between 9:00 and 9:15 a.m. Only students in Extended Day are admitted into the building before 9:00 a.m.

If you drive your child to school, please use the east entrance of the building. Each morning there will be a teacher assistant at the door to welcome your child. When you see her, your child may leave the car and enter the building. The horseshoe drive by the main entrance is for **drop off only**. Cars may not park in this area. If you need to park and come into the building, please park in the main parking lot.

**Dismissal:** Bus riders board the buses at the west door of the building. Students who are picked up in a car, are dismissed to their parents at the door on the east (parking lot) side of the building. We ask that parents form a line of cars for student pick up and remain in their cars. We want this to be as safe and efficient as possible. Teachers will be on the sidewalk to release children to parents when they see their car. If you need to be in the building at dismissal, you are asked to wait in the Commons. Please do not cross the line of cars picking up children.

The door on the west side of the building is used for students who ride a bus to or from school. No cars should use the driveway on the west side during the school day. Parents using Extended Day may use this door before 8:45 a.m. and after 3:45 p.m.

**Changes in Dismissal/Transportation: Written authorization is required for any variance in regularly scheduled transportation.**

## **ATTENDANCE**

If a child will not be in school during the scheduled class day, it is the responsibility of the parent to call or email the classroom teacher before 9:00 a.m. to report the reason for the absence. If an extended absence is anticipated, due to injury or illness, the teacher should be notified to make arrangements for make-up work.

Absences from school disrupt the sequence of learning for a child, and for that reason, absences for special activities and vacations are discouraged. This includes being tardy for school and leaving before dismissal time. Making up work is not the same as being present for classroom instruction and interaction.

If dental, medical, or other important prescheduled appointments must be handled during school hours, please inform the teacher by phone or written note concerning the appointments. Students will not be allowed to leave the school building during school hours for appointments unless a parent or designated adult reports to the classroom to pick up the student. Students must be signed out in the classroom when they leave school and signed in in the classroom when they return.

Students are considered tardy if they arrive after 9:15 a.m. Students who are tardy should come in through the main church entrance and must be accompanied to the school office by a parent, to obtain a pass before being admitted to the classroom. If

a student is tardy three times in a two week period, parents will be contacted. If there is repeated tardiness, it may warrant a meeting with the parents, school director, and a member of the school board

## **BOOKS**

Textbooks and workbooks are loaned to the students by Magnuson Christian School. All books received are expected to be handled with care. Any books taken from the building for homework or study should be in a bag or have adequate cover. Books that are damaged will need to be replaced or repaired.

## **BUILDING AND GROUNDS SAFETY**

The following procedures are established to ensure safety during school hours:

- The main church door, on the east side of the building, is open during school hours. The west entry door is open from 7:15 a.m. until the buses arrive and from 3:30 p.m. until Extended Day is over. The small door on the east side of the building will be opened by an adult for student arrival from 9:00 - 9:15 a.m. After 9:15, students should enter the building through the main church doors. Parents should accompany children arriving after 9:15 to the office, to receive a tardy slip to present to their classroom teacher.
- During the school day, parents, visitors, and/or volunteers need to check in at the church receptionist's desk and pick up a visitor badge before coming to the school wing. Visitors need to sign out when they leave the building.

## **BULLYING**

All students have the right to, and can expect to have, a safe, non-threatening experience while they attend MCS. This includes verbal as well as physical safety. Students who may have experiences that they think are uncomfortable, are to report such to an adult. All adults have the responsibility to deal with situations that may occur. If deemed necessary, the School Director, School Board and parents may meet regarding the situation.

In trying to empower students, they are encouraged to use their words when someone bothers them. If the behavior does not stop, they are told to tell an adult.

MCS takes very seriously the safety, both emotional and physical, of all students and action will be taken to resolve any issues that occur.

## **BUSING**

The White Bear Lake School District provides bus service to students residing within the White Bear Lake School District boundary.

The bus company policy does not allow students to switch buses. The only reason for a bus switch would be a change of address.

- **Bus Safety:** In the fall, classroom teachers instruct students in bus safety. Also, the W.B.L. School District Safety Director will provide a bus safety program for all students including a bus evacuation drill. Each student doing his/her part makes a safe bus for all riders.
- **Bus Misconduct:** White Bear Lake uses written notification to parents and the school of bus misconduct. Riding the bus is a privilege and the rules are to be followed. The bus company has the right to suspend a student from riding the bus.

## **CALENDAR**

A year at a glance calendar is available on the website. Additional calendar events will be announced in the weekly classroom newsletters and will be added to the calendars on the website and in Sycamore.

## **CHAPEL**

Chapel is held each Wednesday morning at 9:30 a.m. It is led by First Lutheran pastors and staff., Each class will also lead Chapel once each year. We ask that students learn the gift of sharing by earning money to bring to Chapel for the offering. The offering that is collected is sent to Miriam, our Compassion child in Guatemala. Parents are welcome and encouraged to join us for Chapel any time.

## **CHILD ABUSE AND NEGLECT REPORTING**

Under Minnesota law, it is the legal responsibility of staff members to report suspected physical and sexual abuse and certain forms of neglect. Neglect may include failure to provide necessary food, clothing, shelter, medical care, and school attendance. Reports must be made to Ramsey County Child Protection (or the county in which the child resides) or to the police. People required to report include “a professional or his delegate who is engaged in the practice of healing arts, social services, hospital administration, psychological or psychiatric treatment, child care, education, or law enforcement.” A person who is required to report, and does not, can be charged with a misdemeanor.

Anyone may report suspected abuse/neglect. Many people in the community have helped children through their calls. Because of them, children have received protection. The Ramsey County Child Protection number is 651-266-4500. For information about Parents’ Anonymous or to talk to someone if you are about to hurt your child, call the child abuse prevention hotline at 651-266-4500.

## COMMUNICATIONS

The school/classroom will send communications home each Friday. Classroom teachers will send a weekly email with classroom news and notification of upcoming events. Please feel free to contact MCS staff by telephone or by email.

## COMPUTERS - ACCEPTABLE USE OF THE INTERNET & RELATED TECHNOLOGY

MCS has a Computer Lab that contains enough computers for a whole class. All classrooms also have one or more computers in the room for student use.

It is the policy of Magnuson Christian School to require the responsible, legal, and ethical use of the Internet and related technologies by all employees, volunteers, and students of Magnuson Christian School. Access privileges may be revoked, school disciplinary action may be taken, and/or appropriate legal action may be taken for violations that are illegal, irresponsible, or unethical.

1. **Privilege** - The use of the Internet and related technologies is a privilege, not a right. Internet access will only be assigned to those students, employees, and volunteers who have read, or whose parents have read, and acknowledged their understanding of this policy.
2. **Acceptable Use** - The use of the Internet and related technologies must be in support of education and research and consistent with the educational objectives of Magnuson Christian School.
3. **Unacceptable Use** - Accessing, uploading, downloading, or distributing inappropriate material is prohibited. Inappropriate material is defined as material that is inconsistent with educational objectives of Magnuson Christian School such as anything that advocates violence, is illegal, defamatory, abusive,

threatening, profane, obscene, racially or sexually offensive, or plagiarized. In addition, users of information shall not:

- use or publish impolite or inappropriate language.
- violate any local, state, or federal statute in the use of information networks, including transmitting or copying copyrighted material without permission of the author.
- vandalize, damage, or disable the property of another person or organization in the use of information networks.
- access another person's materials, information, or files without the permission of the user.
- conduct commercial activities or use the network for the financial gain of the user.

## **CURRICULUM**

Magnuson School offers a strong academic curriculum which covers all of the basic subjects. It also offers Bible lessons, Chapel, Phy Ed, Music, Computer, and Spanish. Grades 4-7 have Choir. Students in grades 4-7 have the option of participating in Band. Piano lessons are provided free for all Kindergarten students and for other students on a fee base.

## **DISCIPLINE POLICY**

**Positive Rewards:** Positive reinforcement of appropriate behavior is one key to effectively working with students. Teachers will redirect a student's negative behavior and work with the students to positively change the behavior.

**Minor Infractions:** Minor discipline issues which occur will be handled by the homeroom teacher and/or the Director. When a teacher thinks it is necessary, a communication with the parents will occur in a timely manner.

MCS will use Corwin Kronenberg's *Above the Line Behavior* for the school-wide policy. The Teacher's Guide and Activities Manual are available in the school office.

## **EXTENDED DAY**

Magnuson Christian School offers a comfortable, relaxed, and creative environment for children who need care before and after regular school hours. The fee for this care is \$6.00 per hour for the first child and \$3.00 per hour for the second child. Billing is done every two weeks. If an account is not current, a child may be asked to leave the Extended Day program until the account is made current.

## **FIELD TRIPS**

Field trips are part of the overall curriculum. Students may engage in a field trip experience to help achieve educational goals. Students will be charged for transportation and for admission fees. Parents will be notified about these trips and will be required to complete the formal permission request. Field Trip payments may be made using the school's online payment system.

If you are planning to help with driving with field trips, we need a copy of your current MN State Driver's License, a copy of your proof of insurance coverage, and you must have seat belts for each child. You will be required to have a background check.

## **GRIEVANCE POLICY**

This policy provides a process to resolve complaints, disputes, disagreements, and misunderstandings that may arise between parents and employees of the school.

Complaints, disputes, or disagreements should be resolved on a person-to-person level. The following steps should be taken by the person seeking relief:

1. Parent to teacher/staff member. If no resolution:

2. Parent to school director. If no resolution:
3. Parent to pastor. If no resolution:
4. Parent to School Board of Directors.

## **HEALTH SERVICES**

The school nurse, who is assigned to MCS from District 624, is not in the building on a regular basis, but arrangements can be made for a parent to speak with a nurse about a student's personal health problem, health information, or for a consultation. **PLEASE CONSULT YOUR PHYSICIAN FOR CARE OF INJURIES OCCURRING OUTSIDE OF SCHOOL.**

**Emergency Information:** Current emergency information is required for each student. A card is to be completed by the parents for each child at the beginning of each school year. In case of emergency, the procedure will be to contact the parent at home or work, or an emergency contact if the parents cannot be reached. You should make arrangements for proper care in case your child should meet with an accident or become too ill to remain in school at a time you are away from home. The school should be notified if any changes occur (address, telephone number, physician, dentist, work telephone number, etc.) during the school year.

**Illness:** Please keep your child home from school when he/she is ill. (See the booklet "IS MY CHILD WELL ENOUGH TO BE IN SCHOOL?") A child with any kind of rash, lesions, or any suspected communicable disease should be kept out of school until diagnosed by a physician. A child should be fever-free, without use of medication, for 24 hours before returning to school. If vomiting and/or diarrhea are present, the 24 hour policy is also used.

**Physicals/Immunizations:** Physical examinations are recommended for all children entering Kindergarten. According to state law, all children entering school must be immunized against

diphtheria, tetanus, pertussis, polio, measles, mumps, rubella, and chicken pox. The school must retain documentation of immunizations. **YOUR CHILD WILL NOT BE ALLOWED TO ENTER SCHOOL UNTIL THE IMMUNIZATION REQUIREMENTS HAVE BEEN MET.**

**Screening Programs:** Vision and hearing screening tests will be provided by our School Nurse. Students with known concerns will be routinely monitored.

**Medication Policy:** (See MN Statute 126.201 - Administration of Medication by school personnel)

1. Medication may be administered by a licensed school nurse who may delegate the duty to the health education assistant, the School Director, or a teacher.
2. Whenever possible, we recommend that medication be given to students at home or before and after school.
3. All medications must be sent to school in a current labeled bottle and kept locked in the School Office.

Following is the policy for administration of medication at school:

**Long-term medications which are over 2 weeks** (including over-the-counter medications) require a written order from a person licensed to prescribe medication, written permission by a parent, and the original prescription bottle with the pharmacy label.

**Short-term medications which are less than 2 weeks** (including over-the-counter medications) require written permission by a parent and the original prescription bottle with the pharmacy label.

New medication authorization from the parent and the doctor is required if there is any change in dose or medication.

## **HOMework - MAKE UP WORK**

Parent support is essential to an effective homework program. Study time should be set aside each evening for assigned work or outside reading. Homework time varies from grade to grade, subject to subject, and child to child.

*Make up Assignments:* When a child has been absent, make up work is the responsibility of the student and the parents.

Absences from school disrupt the sequence of learning for a child, and for that reason, absences for special activities and vacations are discouraged. Teachers are not expected to put together work packets ahead of time for students whose parents choose to take them out of school for nonmedical reasons.

## **LIBRARY**

Magnuson Christian School has a library that is open to all families. Students will have regularly scheduled library periods. Materials circulate for one week. Students are encouraged to take library books home. We appreciate parents helping their children return books on time. Lost books should be paid for or replaced. To encourage reading, please read to your children. Parents are an invaluable resource.

## **LOST AND FOUND**

Please **label all belongings** so lost items may be claimed by the owner. The Lost and Found is in the end locker in the middle school wing.

## **LUNCH**

Hot lunch, including milk, is offered to the students each day that school is in session. This is provided by the White Bear Lake School District. A menu is posted on the Magnuson website and on Sycamore. The cost of lunch is \$2.75 for students and \$4.00 for adults. For students who choose to bring their lunch from home,

milk is available for \$.50. Milk is provided at no charge for Kindergarten students for their midmorning snack. Magnuson Christian School encourages all students to eat a healthy lunch, and we support the drinking of milk, water, and fruit juices with lunch. Carbonated pop is not allowed in the lunchroom.

Magnuson Christian School is **peanut and tree nut free**. Please do not send any food items that contain peanuts or tree nuts.

Lunch accounts must stay current. When a child's lunch account reaches \$7.50, an email will be sent to parents.

Lunch payments should be made using the school's online payment system.

## **PARENT-TEACHER CONFERENCES**

Conferences are scheduled for October and February. (*See school calendar for exact dates.*) Additional conferences may be scheduled if parents or the teacher deem it necessary.

## **PARENT TEACHER ASSOCIATION**

The Magnuson Parent Teacher Partnership (MPTP) is a service organization whose purpose is to provide ways for parents/ students to become involved in the school and to support and enhance the work of the school, its staff, and students. Childcare is available during meetings. MPTP is made up of all the parents/ guardians who have children in MCS and of the MCS staff. MPTP meetings and events provide parents/guardians with an opportunity to meet and work with other parents/guardians and provide an informal communication between the staff and the parents/guardians. The MPTP may plan events throughout the year and/or help in fundraising activities. Funds raised by the MPTP are used for items or projects not provided for in the school's general budget unless such expenditures are deemed necessary and approved by a majority of members at an MPTP meeting.

## **PARTIES AT SCHOOL**

If your child has a birthday or you would like to bring special treats for the class, please make arrangements with the teacher. We do have some food allergies at school, so please check with the teacher regarding these. Treats should be purchased, and clearly labeled. **We have a peanut-free, and tree nut-free, school.**  
**Some of our students have severe reactions to nuts.**

## **PICTURES**

Individual student and class pictures will be taken in the Fall. Parents have the option of purchasing the pictures. Pictures are also used in the School Yearbook. Parents do not have to purchase pictures to have their child's picture included in the Yearbook.

## **PUPIL PROGRESS REPORTING**

Students and parents will regularly receive information on student progress in many forms: feedback on daily work, tests, projects, conversations with teachers, etc. A written report of each student's progress will be given at the mid trimester time and at the end of each trimester.

## **RECESS**

Weather conditions permitting, students are expected to be outdoors during the noon time recess, if the temperature and wind chill are above zero degrees. They may also be outside for P.E. classes. Please send appropriate clothing for the weather.

## **SAFETY DRILLS**

Fire, tornado, emergency, lock down, and bus evacuation drills are held on a periodic basis for the safety of all students and staff. Emergency evacuation and fire drills help students learn the proper steps to follow in case of a real emergency. Students are taught to conduct themselves as if a real emergency were occurring.

Teachers will explain procedures and the route to be used in leaving the classroom.

## **SCHOOL CLOSINGS**

Emergency school closings due to severe weather, or for any other reason, will be announced over WCCO television and radio (830 AM) and posted on their school closings website at [minnesota.cbslocal.com](http://minnesota.cbslocal.com). Any weather announcement closing schools in White Bear Lake, District #624, will include Magnuson Christian School, as we follow their procedures. The WBL School Emergency Hotline is 651-407-7540.

***Please note there is a different MAG Christian School in Forest Lake.***

As a parent, if you think weather or conditions are too inclement, you may choose to keep your child home.

## **SCHOOL HOURS**

School begins at 9:15 a.m. and ends at 3:30 p.m. Students should not be on the premises or in the building before 9:00 a.m. or after 3:30 p. m. without permission. Once students arrive at school, they may not leave the school grounds without permission.

## **SEXUAL HARASSMENT/HARASSMENT**

It is the policy of Magnuson Christian School to provide a learning and working environment that is free from harassment.

This policy applies to all students, faculty, staff, school director, parents, volunteers, guests, and others who act on our behalf. It applies whenever and wherever a school program takes place.

Anyone who violates this policy is subject to appropriate disciplinary action, which may include separation from the school program.

**Harassment** is unwelcome verbal or physical conduct which has the purpose or effect of unreasonably interfering with an individual's performance, or which creates an intimidating, hostile, or offensive working or learning environment. The basis for harassment may be any protected class including age, creed, color, disability, national origin, race, marital status, status with regard to public assistance, religion, gender, and sexual orientation.

**Sexual harassment** includes, but is not limited to:

- Teasing or joking of a sexual nature, sexual name calling, making references to past or present sexual activity, spreading sexual rumors, or making derogatory or dehumanizing sexual remarks;
- Subtle pressure for sexual activity;
- Display of offensive pictures, posters, or other graphics;
- Leering, inappropriate patting or pinching, and other forms of unwelcome touching;
- Otherwise creating a hostile, intimidating, or offensive environment.

Any member of the school community who experiences or witnesses sexual or protected class harassment, is encouraged to deal with the situation immediately by politely, but firmly, advising those involved that the behavior is inappropriate and should stop. However, if the individual does not wish to deal with the problem directly, or if a request to stop is not respected, he or she should report the incident to an appropriate official (school director, teacher, or in the case of a complaint against the school director, to the school board chair).

All complaints of harassment will be handled promptly and completely. The facts shall determine the response to each complaint. Each situation will be handled with discretion and sensitivity.

## **SPECIAL EDUCATION SERVICES (State and Federal Programs)**

Schools in Minnesota are required to serve the special education needs of children from birth to age 22, or the completion of high school. The areas of delay or disability include sensory, physical, mental or social/emotional. If a child qualifies for special education services and meets the eligibility criteria, the school district is responsible for serving the child's special education needs.

Students who qualify for special education receive math and reading support provided by staff at Lakeaires Elementary School in the White Bear Lake School District. Magnuson has a Title I teacher on site to provide services to students who qualify for them. If you have questions about special education services, please call the school director or talk with a classroom teacher.

## **STUDENT RECORDS**

The school maintains records of students while they are in attendance. Records or data may mean any or all of the following:

- Identifying data
- Academic work completed
  - Level of achievement (grades, standardized achievement test scores)
  - Attendance data
  - Health data
  - Family background information
  - Teacher observations
  - Verified reports of serious or recurrent behavior patterns

In accordance with state and federal laws, parents/guardians are entitled to see their child(ren)'s records. An appointment with the

director should be made in advance of requesting to review records.

To transfer records, parents,/guardians are asked to inform the school office and complete the Transfer of Records form. This form may also be completed at the new school and sent to MCS. The official records will be sent directly to the new school.

## **SYCAMORE EDUCATION**

MCS uses Sycamore Education as our school management program. Parents will receive login information during the summer. In Sycamore, parents have access to financial information, including their family lunch account, student data, school news, and a school directory. This is a secure site and may include information that is not available to the public.

*Families that do not have internet access at home or work should contact the school office.*

## **TARDINESS**

A student is considered tardy if arrival is after 9:15 a.m. A teacher assistant will be at the east entrance door from 9:00 to 9:15 a.m. Students who are tardy should come in through the main church entrance and must be accompanied to the school office by a parent to obtain a pass before being admitted to the classroom. If a student is tardy three times in a two week period, parents will be contacted. If there is repeated tardiness, it may warrant a meeting with the parents, teacher, and the school director. Being on time is a trait we want to instill in our students. It is important for students to be ready to hear the instructions when they are given to the entire class each day. Classes start at 9:15.

## **TELEPHONE**

The school telephone system provides parents with voice mail for classroom teachers. If you wish to speak with a teacher, please leave a message of available times you can be reached. Teachers

make every effort to return calls the same day they are received. Students and teachers are not allowed to take calls during instruction time.

If there is an urgent message, please let the church receptionist know to deliver the message immediately to the appropriate person. **DO NOT** leave a voice message on the teacher's phone or director's phone if it needs immediate attention.

Students are not allowed to use the school phones, or their own cell phones, during the school day. In cases of necessity, students may be allowed to use a phone, if they have obtained permission from a teacher.

## **TESTING**

Students in all grades will be assessed throughout the year. This might include chapter and unit tests, written assessments, and individual assignments. In the spring of the school year all grades will take the Iowa Test of Basic Skills (ITBS). These results will be sent home to parents after they are received from the company that scores the tests.

## **TUITION**

The tuition cost for the 2016-2017 school year at MCS is \$1,500 for kindergarten and new students, \$4,900.00 for students in grades 1-5, and \$5,400.00 for grades 6 and 7. Additional children in a family, in grades 1-7, receive a 25% discount.

Tuition for the year may be paid in one payment, 2 payments, or 10 payments. Families receiving tuition assistance will have a tuition payment based on the amount of tuition assistance provided. Monthly tuition payments are automatically deducted, from the account provided by parents, on the 5th or the 20th of each month, August through May.

## TUITION ASSISTANCE

Magnuson School offers the opportunity to all students who attend Magnuson School to apply for tuition assistance. MCS has contracted with a company (PSAS) to evaluate the tuition assistance forms submitted to them by parents. Based on the company's recommendation, the in-house Scholarship Committee awards the assistance at MCS.

The **deadline for applying is March 1.** **Everyone requesting tuition assistance must apply each year.** Parents will be notified and, if interested, will receive forms in advance of the deadlines. It is the responsibility of the parents to submit the form, a current tax form, and the fee that the company charges for this service directly to the company.

## UNIFORMS

The source for our school uniforms is Donald's Department Store which is located at 972 Payne Ave. in St. Paul. They have a list of the items that are part of our official school uniform and they can direct parents to the appropriate items. The store will take care of getting the logo put on the items.

If you choose to purchase uniforms from another source, they **MUST** be the same as our official uniforms. Please check with the school office if you are not sure about the color or type of an item. Clothing worn on the outside should have the MCS logo on it. The exception is the jumper. Collars are to be worn under sweatshirts and sweaters.

## UNIFORM MONOGRAMMING

Please wear the visitor badge that is provided when visiting or volunteering.

## **VOLUNTEER TIME**

The volunteer program is designed to aid parents in becoming more involved in MCS. It allows parents to get to know other parents. It is a fact that children do better in school when parents are involved. Not only does your child benefit by your involvement, but tuition costs are kept lower when needed services can be regularly performed by parent volunteers.

Families are required to volunteer 20 hours per year. This could be as a lunchroom/playground supervisor, working on a fundraiser, helping a teacher with classroom needs, working in the school library, and in a variety of other areas. Each family is encouraged to spend five hours of volunteer time on the annual Gifts for Growth Gala. An extended family member may volunteer for your family.

Volunteer hours must be entered into the Sycamore Education system. Instructions will be given on how to do this at the beginning of the school year. If you choose not to volunteer, you may pay \$200.00 instead.

## **WEBSITE & SYCAMORE**

The MCS website ([www.magnusonschool.org](http://www.magnusonschool.org)) contains answers to many questions and is a great place to look for general information, lunch menus, the year at a glance calendars, etc.

Sycamore Education is a more secure place for information, so be sure to look there for more in-depth information about current happenings, staff and family directories, documents, forms, family tuition, hot lunch (Cafeteria), and Childcare accounts, etc.

Public documents for the school are available for review during regular business hours.
